New in Hamburg - Schanzen-Tour

Between the Schanze and St. Pauli

A lot of people think of the Kiez and the Reeperbahn when they talk about Hamburg. The younger generation party on the 'Schanze'. Reason enough then for us to culinarily and culturally examine this district.

Join us on a different kind of walk through Hamburg's amusement districts, Schanze and St. Pauli. Culinary delicacies await you equally as much as exciting tales and charming little shops. Today, where whalers once lived, people meet on the 'Galao-Strich' while St. Pauli is much more than just the Reeperbahn!

New: Gift Card by Post

As our tours can also be given as a gift, we now offer another service. Not only can you give an electronic voucher code as a gift, as before, but **for an additional €5 you can have our gift card sent.**

We will then print your chosen voucher code here (you choose the value), as well as your own greeting, which you can enter beforehand on our website.

We wish you a delicious run-up to Christmas and all the best from Berlin!
